Hike the Rock

Ages 8+ **Day Trip**
Enjoy hiking through the beautiful and historic Starve Rock Stated Park. This trip will be less organized because one day is not enough time to experience the park in full, so you get to pick how you want to experience it. Choose from hiking into one of the many canyons, checking out the views of the Illinois River from on top of Lovers Leap, or just sitting in the spacious lodge and checking out the shop, restaurant, patio and of course the views!
