

Friendship Station Preschool

Friendship Station is a joint program between the Geneva Park District and the Geneva School District. This inclusion program is staffed by Park District and School District employees and has benefited all of our preschoolers.

Philosophy

The preschool is guided by the philosophy of learning through play. Play is where the child learns how to share, create, cooperate, interact and solve problems. Because each child is individual and unique, emphasis is placed on developing a positive self-image. In keeping with the guidelines of School District 304 regarding early learning and literacy, this preschool program will provide appropriate activities to enhance literary enrichment of the young child. Support for all children will be provided by loving, knowledgeable staff in a collaborative working partnership with family, Park District and School District.

The children have experiences in art, singing, games, storytelling, cooking, rhythm and movement. Through these activities the child develops self-control, physical coordination and social skills. A carefully planned program allows the preschooler to freely explore his/her environment, him/herself, and others.

Fall 2010 Preschool

Resident registration will be processed randomly each day. Starting on 2/23/10 non-resident registration will be taken and proceed as they come in. If classes are full, we can put you on a waitlist. Please drop off a registration form, copy of your child's birth certificate, and a \$50 deposit at the Geneva Community Center. There is no online registration for this program.
