Softball Coaches

The Park District is seeking energetic individuals to coach teams in our Girls Softball Program. Even if you are a little rusty with your skills or have been a player, but never a coach, we'll help you get ready for the season and will be there throughout the season to lend support. One coach from each team will be required to become CPR and First Aid certified. If interested, please stop by the Park District to complete a coach's application or download it from our website at www.genevaparks.org. Contact the Mike Contreras at 262-2212 with any questions.

Coaching Philosophy

We expect our coaches to do everything possible to ensure that their players have an enjoyable and safe sporting experience while learning softball skills. Our philosophy is based on player participation, skill development and player enjoyment. Teaching children softball skills is the core of our philosophy – NOT WINNING. We strongly believe that if you "take the fun out of the sport; you take the kids out of the sport."
