

## Magic, Cooking, Science and more!

### Click It or Miss It

**Ages 9-15** **1 Class**  
Taking great pictures is easy – when you know the basics. Learn kid-camera operation, do's and don'ts - how's & whys. We'll practice taking shots using techniques like camera height, angle and learn a bit about lighting. The class will contain a fun segment where you will use props to set up your own photo shoots. **Please note: participants should bring your camera (digital best) with film or a memory card and extra batteries.** (SF)
