Philosophy

The preschool is guided by the philosophy of learning through play. Play is where the child learns how to share, create, cooperate, interact and solve problems. Because each child is individual and unique, emphasis is placed on developing a positive self-image. In keeping with the guidelines of School District 304 regarding early learning and literacy, this preschool program will provide appropriate activities to enhance literary enrichment of the young child. Support for all children will be provided by loving, knowledgeable staff in a collaborative working partnership with family, Park District and School District.

The children have experiences in art, singing, games, storytelling, cooking, rhythm and movement. Through these activities the child develops self-control, physical coordination and social skills. A carefully planned program allows the preschooler to freely explore his/her environment, him/herself, and others.

Friendship Station is a joint program between the Geneva Park District and the Geneva School District. This inclusion program is staffed by Park District and School District employees and has benefited all of our preschoolers.

Cancellations / Late Payments

The Geneva Park District office must receive any cancellations for the Fall Preschool program by 5:00 pm, July 30. An application for refund must be completed as cancellation verification. It is possible to receive a \$25 refund if we fill your spot before July 30. Deposits will not be refunded after this date. *Payments received after the final payment due date listed will incur a \$10.00 charge each week the payment is past due and could result in losing your spot.*
