

Fabyan

Kids' Zone Staff

Lindsey Sawtell– Assistant Coordinator

I graduated from Bethel University in St. Paul, Minnesota with a BA in Studio Art. Last summer, I worked as the Craft Coordinator and Videographer for Good Earth Village Camp and Retreat Center in Spring Valley, MN. I love to travel, explore, hike, frolic in the rain, giggle at squirrels, draw, sing, bake, spend time with my family and friends, and laugh until my sides hurt! I'm excited to draw closer with my team at Fabyan and encourage kids to find joy and excitement in life!

Pat O'Brien– Group Leader

This is my third year at Kids' Zone. It's will be awesome to see all the returning kids and great to meet all the newcomers. During the week, I attend class at Waubensee community college. Away from school and work I love to skateboard; I've been skateboarding since elementary school and haven't stopped. There's an amazing feeling of accomplishment when you land a trick you've been working on for hours! I also enjoy relaxing with my friends, reading, traveling, and having a good laugh. See you all soon, I can't wait to see what this year has in store for us!

Bree Cork– Group Leader

I am in my second year of college studying psychology. My major career goal is to become an Occupational Therapist. I enjoy painting, playing piano, and being outdoors. I was a group leader at Western Avenue last year and am excited to join the Fabyan Team. I look forward to getting to know each child on an individual basis and having a lot of fun!

Cory Hofstetter- Group Leader

I am currently in college to become a physical education teacher at the high school level. I enjoy sports including Baseball, football and bowling. I like to play Xbox and to hang out with my friends. Something interesting about myself is that I wear a size 16 shoe. This is my first year at Kids' Zone and I am really excited !

Emily Honeyman- FVSRA

Hi, I'm Emily and I work as a companion with FVSRA here at Kids' Zone. I love to help out and working with kids. I am currently in school at E.C.C and am looking into becoming a special education teacher. In my free time I like to spend time with friends and family.

Taylor Medernach- Group Leader

My name is Taylor Medernach and this is my first year at Kids' Zone. I am currently a senior at Geneva Community High School and am in the process of college planning and figuring out my next few years after I graduate. I am on the Geneva softball team and have spent the past 3 years on Varsity; I also played year round travel softball from ages 9-15. I have had a passion for art since I was little so I love spending my free time with arts, crafts and anything creative! I am very excited to join the Kid Zone program.
