

KIDS' ZONE PRESENTS KINDERZONE

A NEW PROGRAM ESPECIALLY FOR KINDERGARTNERS

Kids' Zone is excited to be able to offer the **NEW KinderZone Program** this fall. KinderZone is specifically geared toward the kindergarten age child and is held at the Stephen Persinger Recreation Center at 3507 Kaneville Road. This program will offer Kindergarten care during the day whether they are in AM or PM kindergarten.

KinderZone is a recreational based program that provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including; problem solving, teamwork and following basic directions. This program creates a stimulating and creative environment, where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Activities include: physical activities, arts and crafts, parachute games, nutrition and environmental programs and more. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

Your child will need to bring a lunch each day, however a morning and afternoon snack will be provided. The park district will bus your child from school to the program if they are in AM kindergarten and to school from the program if they are in PM kindergarten. Please see below for hours and fees.

Kindergarten program does not include days off of school, including half days. Full day programs will be offered on those days, however you must sign up separately for them.

Registration Day is March 2nd
 Registration packets are available at the Geneva Park District Administration Office.
