Mill Creek Kids' Zone Newsletter

What's been happening:

We kicked off the month by bringing the happiest place on Earth to Kids' Zone by having a Disney themed week with Holly. We were able to bring Disney to life by having Disney related games, activities and crafts. We had a fun time finding the hidden Mickeys, escaping from the Queen of Hearts from Alice in Wonderland and searching for Nemo! It was a magical week and a great way to start off the New Year! We followed our Disney week up with a trip around the world with Riley. We played different sports from different countries like hand ball and soccer, talked about our heritage, and ate some yummy food on Friday to celebrate! We were lucky and it finally snowed and we were able to head outside several times and build forts and play in the snow! We blasted into space with Ashley's out of this world week. The kids had a blast making up their own planets with rules and crazy dances! The week was filled with alien games and planet building. We wrapped up the month with a trip to the Olympics with Amy. The kids got to test their abilities at different Olympic events.

What's coming up:

We are going to kick February off with by getting a crash course in staying healthy! We have done a great job so far this year with keeping our site germ free and I would love to keep it that way! Nico is then going to teach us all Karate! He is a master and teacher of Karate and is going to teach us the basics in a safe and fun way! The fun doesn't stop there we are having a winter carnival! Bottle knock down games, relay races, throwing pies at group leaders, etc. Then we put on our sunglasses and try to dodge the paparazzi during pop star week! We are going to sing and dance the week away! We will wrap up February with a city celebration. We are going to eat, play, and make crafts based off some well-known cities in the U.S. !

Supplies to donate!

We are always in need of newspaper, paper towel rolls, and toilet paper rolls.
