

Mill Creek Kids' Zone STAFF BIOS

Matt Bosko- Site Coordinator

My name is Matt Bosko and I am the Site Coordinator at Mill Creek. I have been working with kids for the past seven years in before and after school programs. In my free time I enjoy writing, reading, playing video games and playing with my two children. I am looking forward to this school year because it will be a fun experience for not only the kids, but me. I look forward to helping them grow as individual as I am sure that they will be helping me grow as well.

Hi! My name is Kelly Burns and I am currently a senior at Geneva High School. I am really involved in school as a member of the Executive Board of Student Council, as well as a member of the Ambassador Club. I am also very active in my church's Peer Ministry Team and ROCK Mission Trip Team. I love to be outside, cook, and spend time at my cabin in Northern Wisconsin. I am so excited to be able to meet and work with your kids this year.
