Matt Bosko - Camp Director

My name is Matt Bosko and I am the Camp Director for Voyager Camp. This will be my second summer being a part of Voyager camp. I have been with the Geneva Park District for almost 2 years and have been working with before and after school programs for 8 years. Some of my favorite things to do is writing, playing video games and spending time with my son and daughter. I'm looking forward to seeing all of the little personalities walk through our doors this summer! I look forward making sure that your children have a safe and fun atmosphere where they can play, explore, and make new friends!

Brittany Polly - Assistant Camp Director

Hello families!

My name is Brittany Polly and I will be working with your children at Voyager Camp this summer. This is my second summer working with Voyager Camp and I am very excited to meet all of the new faces and to welcome back the familiar ones! I graduated with an Elementary Education Degree from the University of Illinois this past December and I am currently working as an aide in a first grade classroom. I enjoy working as a classroom aide but hope to find an elementary teaching position in the future. Some of my interests include working with children, spending time with family and friends, traveling, boating, reading, and swimming. I enjoy any outdoor activities and love the warm weather! We have so many interesting activities planned for the next few months and I cannot wait for summer to begin!

Sarah Walker- Camp Counciler

My name is Sarah Walker. In the fall, I will be a senior in elementary education at the University of Illinois. I actually spent last semester observing in a first grade class, and next semester I will be working in a kindergarten class, so Voyager Camp will be perfect for me! This will be my third year as a camp counselor for the Geneva Park District. I spent my first year in Mighty Vikings camp, and last year I worked with Safari and Voyager camps. In my free time, I enjoy spending time with my family and friends, running, and playing my flute. I'm so excited to meet all of you at camp!

Dan Boduch- Camp Counciler

Hi! My name is Dan Boduch, and I am a junior at the University of Illinois. This will be my second summer working at Voyager Camp, and if last year was any indication, I know this summer will be a blast! Before I was a Voyager Camp Counselor, I was a mini camp coordinator for spring and fall sports camps at the Geneva Park District for 2 years, so it goes without saying that I love all kinds of sports, especially baseball. I look forward to another great summer at Voyager Camp with you all!

Kevin Brown- Camp Counciler

Hello parents of the Voyager campers, my name is Kevin Brown and I am looking forward to a great year of camp this summer. I am a freshman at Indiana University studying business. I have worked at the GPD at the Front Desk of the Pool and Fitness Center Attendant and I'm excited to start camp counseling this year. I have been a part of the GPD's camp since I was a child and cannot wait to bring new ideas to the program. Some of my favorite things to do is playing sports, hanging out with friends, and spending time with my siblings, two older brothers and one older sister. I played baseball, football, lacrosse, and basketball growing up and enjoy pick-up games with friends anytime. I'm hoping this camp year will be best yet and am excited for the summer weather to be in full bloom!
