

November, 2008

Dear Friends,

Geneva continues to grow as a community and remain a beautiful place to live. Our park district residents enjoy a higher quality of life through our parks and related facilities. As we grow, it is vital that we preserve and improve the integrity and beauty of our existing parks.

The Geneva Park District Foundation, a 501(c)(3) not for profit organization, participates in funding various park enhancement projects each year. A few recent projects include:

- The installation of a touch-screen exhibit in the History Room at Peck Farm Park.
- The construction of the Wildlife Viewing Area at Peck Farm Park.
- The development of a Dolomite Prairie at Wheeler Park.

The Foundation intends to financially assist these exciting projects slated for this year:

- The installation of interpretive signage at Old Mill Park depicting the history of the former Bennett Mill site and sculpture.
- The installation of mileage and information markers on selected bike paths and walking trails.
- Landscape improvements and tree planting throughout the district.

All projects are funded by Geneva Park District resident donations. Your donations make these projects possible. We ask that you support our efforts with a tax-deductible donation today.

Donations of \$100 or more will be recognized with donor name engravings displayed as a part of the "Giving Tree" at the Sunset Park Community Center. Engraving types will vary as such: \$100 or more – a giving "leaf"; \$1,000 or more – an "acorn"; \$2,500 or more – a "foundation stone". For those who have previously established their engraving and wish to renew that commitment, the year(s) of your donation(s) will be added to your engraving.

Thank you in advance for your commitment to keeping our community beautiful.

Sincerely,

Jim Lynch, Chair

(The Geneva Park District Foundation is a 501(c)(3) not for profit organization)
