

Geneva Park District Foundation

Living Tree & Community Forest Program Form

Communtiy Forest Program

This program allows participants to donate a tree to the forest projects at either the Wheeler, Moore or Peck Farm Park. Native trees such as oak and hickory can be planted in honor of families and in celebration of life. Cost of these trees begins at \$150. Participants will receive a site map and coordinates indicating where their tree has been planted. Plaques are not available for trees in a Community Forest. Your tree will become part of an ongoing planting project to reforest area parks for current and future generations.

Living Tree Program

This program allows participants to donate a tree to one of Geneva's beautiful parks. Large deciduous or evergreen trees can be selected, such as oak, maple, spruce, or fir. Cost of the trees begin at \$250. a memorial plaque can be ordered and installed at an additional cost. Plaque prices begin at \$125. The base program fee includes tree planting, plaque installation, and care of the tree through out it's life.

Important Information for Planting and Maintenance

For the health of the trees, planting is done in the spring and fall. Requests made by the first Friday in March will be planted in the spring. Requests made by the first Friday in August will be planted in the fall.

The Park District will be responsible for acquisition, planting, watering and caring of trees. Tree sponsors are not required to assist in the care of the tree, but can simply enjoy watching their gift grow.

**Thank you for your support of the
Geneva Park District Foundation.**
